

Virtual Naloxone (**Narcan**®) Training

**First Wednesday of Every Other Month
Starting February 2021
6:00-7:00pm**

This life-saving training teaches you to recognize, prevent and respond to an opioid overdose by using intranasal naloxone, a prescription medication that is used to reverse an overdose. Participants in a virtual training will receive a free kit.

Kit dissemination details will be provided at the conclusion of the training.

Please pre-register here:

<https://bit.ly/RegionalNarcanTraining>

Once you are registered, you will receive the link for the virtual meeting.

Please be advised, we cannot guarantee kit shipments outside of New York State's Hudson Valley.

Made possible by the Mid-Hudson Education and Prevention Collaborative:
Catholic Charities of Orange, Sullivan & Ulster - Catskills Addiction Coalition with Paul Fontana & The Urban Survivors Union - Ellenville Regional Hospital - Greener Pathways - Hope Not Handcuffs-Hudson Valley - Hudson Valley Community Services - Margaretville Hospital - Mid-Hudson Prevention Resource Center - Middletown Cares Coalition - NY National Guard Counterdrug Task Force - Operation P.J. Pride - Orange County Department of Mental Health - Putnam Communities That Care Coalition - Sullivan Allies Leading Together - Samadhi - Sullivan County Public Health - Team Newburgh - Tri-County Community Partnership - Town of New Paltz - Ulster County Department of Health - Ulster Prevention Council
